Courses for Credit - Spring Semester 2015-16

For information or to be admitted in the following courses, please contact Student Support Services at the Office of TRiO Programs, 220 Admin. Bldg., 472-2027

MATH 101, College Algebra (3 Credit Hrs)

Math 101 is open to students who have completed Math 100A at UNL or have received the prerequisite score on the Math Placement Exam. The SSS section meets five days per week instead of the usual three days, making it especially valuable for students who may need additional help.

Section 171: 9:30 AM – 10:20 AM MTWRF CBA 105

MATH 104, Applied Calculus (3 Credit Hrs)

Math 104 covers the rudiments of differential and integral calculus with applications to problems from business, economics, and social sciences. The SSS section meets five days per week instead of the standard three days, enabling students to receive extra classroom instruction.

Section 171: 11:30 AM – 12:20 PM MTWRF BURN 119

ENGLISH 151, Writing: Rhetoric as Argument (3 Credit Hrs)

This is a first-year English composition course that engages students in the study of written argument: developing an informed and committed stance on a topic, and using writing to share this stance with particular audiences for particular purposes. Students can expect to produce the equivalent of 25 double-spaced pages of polished prose (a minimum of three writing projects) during the semester. This course is recommended for students who wish to improve their writing and reading skills through the study and practice of argument.

Section 260: 10:30 AM – 11:20 AM MWF AND 27

ALEC 102, Interpersonal Skills for Leadership (3 Credit Hrs)

Introduction to the principles and practices of positive interpersonal relationships for leadership development. Self-awareness, awareness of others, effective interpersonal communication, and the building of trust relationships as a basis for understanding and developing leadership. An experiential approach, field projects and a supervised service project.

Section 008: 11:00 AM – 12:15 PM TR NH W129

EDUCATIONAL PSYCHOLOGY 150 Career Development Seminar (2 Credit Hrs)

Students explore career options and develop skills to recognize how jobs, occupations and careers are related to one's interests, needs, skills and opportunities. The course is especially helpful for students who have not selected or are changing their major.

Section 001: 9:30 AM – 10:20 AM TR BURN 124

LIFE SCIENCE 120, Fundamentals of Biology I (3 Credit Hrs)

Prerequisite: Students are required to take Life Science 120 Lab (LIFE 120L).

First in a series of life sciences courses. A systems approach to the study of life at the cellular level, investigating cellular structures, chemical processes, cell metabolism, cell division, gene expression and introducing patterns of inheritance. The SSS section meets five days per week instead of the standard three days, enabling students to receive extra classroom instruction. Parallel registration in LIFE 120L is required.

Section 001: 11:30 AM – 12:20 PM MTWRF MANT 203
